Subj: STATEMENT OF SERVICE IN CASE OF FORMER OFFICER CANDIDATE ADAM DERITO  
SSN: XXX XX 3134/8000 USMC

1. The purpose of this letter is to provide official active duty military training information.
2. Adam DeRito was enrolled and in a student status at Officer Candidates School (OCS) in the Platoon Leaders Class (PLC) program of instruction. The program consists of two six week courses conducted during the summers following either the freshman or sophomore year and again following the junior year at college. Following completion of both six week courses, candidates are returned to their college and are qualified to commission as a Second Lieutenant once they complete an undergraduate degree.
  - a. Mr. DeRito reported for his six week course on 21 May 2009 and completed PLC SRS on 1 July 2009.
  - b. Mr. DeRito was not contractually required to return for the second six week course nor to accept his commission as a Second Lieutenant following his completion of an undergraduate degree. OCS does not track whether or not graduated candidates go on to commission; all inquiries regarding this information should be directed to Marine Corps Recruiting Command (MCRC).
3. Officer Candidates School is an entry level training facility whose students are placed on active duty for less than 90 days, therefore they do not receive a DD 214 or discharge certificate when disenrolled. This Statement of Service is confirmation of his time served on active duty.
4. For any further assistance please contact Coordinator of Student Activities Captain Matthew Nicholson at [matthew.s.nicholson@usmc.mil](mailto:matthew.s.nicholson@usmc.mil) or (703) 784-3223.
